LETTER FROM THE CHAIR

DEAR INDUSTRY SPONSOR:

Thank you for your interest in HOPA’s Annual Conference 2023 (AC23), which is being planned for March 29-April 1, 2023 at the Phoenix Convention Center and Hyatt Regency Phoenix.

This conference is known for its late-breaking and diverse content delivered by oncology pharmacy professionals who are experts in optimizing care of patients with cancer and hematologic conditions. You can also count on AC23 to cover supportive care management and clinical practice updates on several disease states.

Anticipated Attendance of 1,000 Hematology/Oncology Pharmacy Professionals

Though we continue to feel the impact of COVID-19 in our day-to-day lives and within our profession, our conference last year saw a record-breaking number of attendees. We plan to make the most of our time together next spring as well. That’s where you come in.

This prospectus includes many opportunities for you to get involved and get the attention of an important target audience. You’re invited to get noticed by pharmacy professionals, fellows, and administrators.

- Become an Exhibitor or Conference Sponsor
- Purchase a Corporate Showcase
- Present Promotional or Educational Symposia or Deliver Commercially Supported Symposia
- Be Visible – Purchase Event Advertising Space, Sponsor eBlasts and/or Get in the Program Book

Join us For Education, Networking, and More!

In addition to all the great science delivered in plenary and breakout sessions, and presented in posters and abstracts, we also look forward to networking with members, colleagues, and industry partners like you.

We hope you will join us in Phoenix for AC23!

Thank you,

Brooke Adams, PharmD, BCOP
HOPA Annual Conference Committee Chair
