LeAnne Kennedy, PharmD BCOP CPP FHOPA, New At-Large Member for 2019-2020 Term

Chicago, IL (April 4, 2019): LeAnne Kennedy, PharmD BCOP CPP FHOPA, took office as an at Large Member of the Board of Directors of Hematology/Oncology Pharmacy Association (HOPA) at the recent 15th HOPA Annual Conference in March. Dr. Kennedy is a founding member of HOPA and most recently served as the chair of the Recognition Committee. She has also worked on the Standards, Education, and Program committees.

Dr. Kennedy is a Pharmacy Clinical Specialist at Wake Forest Baptist Health (WFBH) in Winston-Salem, NC where she has practiced on the blood and marrow transplant service for 25 years and led the development of the pharmacist-run outpatient transplant program. She is the founding residency director the oncology residency program and has precepted over 21 oncology residents from WFBH and 15 oncology residents from other programs in addition to over 100 PGY1 residents and 50 pharmacy students over her career. In addition to her clinical practice, Dr. Kennedy teaches at multiple area schools of pharmacy and at Wake Forest University School of Medicine as well as coordinates an elective course in oncology at Campbell University College of Pharmacy and Health Sciences. She has many publications and has spoken at local, regional, national, and international pharmacy meetings. In 2005, she was the recipient of HOPA's Award of Excellence and was in the inaugural class of HOPA Fellows.

She earned her PharmD from Campbell University College of Pharmacy and Health Sciences and completed a pharmacy residency at Wake Forest Baptist Health. She is board certified in Oncology and is clinical pharmacist practitioner in the state of North Carolina. Her research interests include supportive care and blood and marrow transplant and related complications.

About HOPA

Hematology/Oncology Pharmacy Association (HOPA) is a nonprofit, education-based organization formed in 2004 to help oncology and hematology pharmacy practitioners and their associates the best possible cancer care. HOPA supports research, provides education, encourages professional development and advocates for health policy issues that improve patient care. HOPA serves more than 2,700 members in the fields of oncology pharmacy, pharmacy administration, and research, and includes pharmacy residents, interns, and technicians specializing in hematology/oncology practice.
